

## **Liturgy for a fearful evening**

Together: Lift up the light of your face upon us, O Lord, so I can lie down, sleep and dwell in safety.

Silently pray: Answer me when I call – Confess your worry

Together: Lift up the light of your face upon us, O Lord, so I can lie down, sleep and dwell in safety.

Pray out loud: Lord, hear me when I call – Confess your fears to God

Together: Lift up the light of your face upon us, O Lord, so I can lie down, sleep and dwell in safety.

Pray out loud: Lord put joy in my heart, please give me peace

Together: Lord thank you that in Jesus you have lifted up the light of your face upon us, you have made it so I can lie down, sleep and dwell in safety.
